PLANNING THE HOME GARDEN

Name of Vegetable	Name of Variety	Planting Dates	Feet of Row	Amount of Seed	Distance to Plant		Number of Days		Followed by (name of vegetable)	Remarks
					Rows (feet)	Drill (inches)	Until Harvest	Of Harvest		

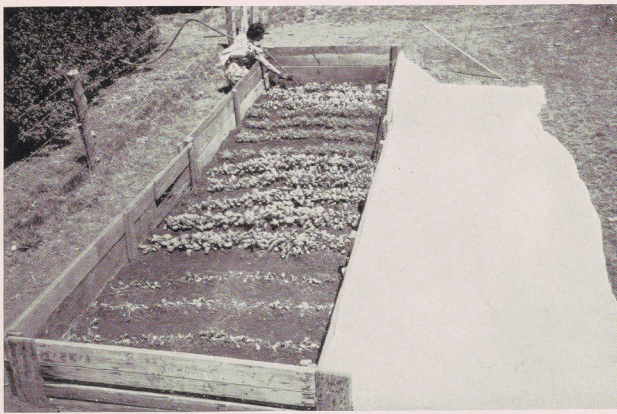

OUTLINE OF PLANTING CHART FOR FAMILY USE
A planting chart serves as a record and reminder of what to do to have a successful home garden

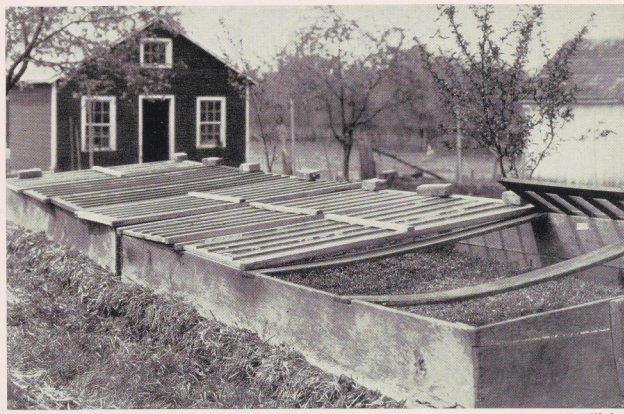

A GOOD HOME GARDEN

A FLAT OR TRAY FOR STARTING PLANTS EARLY
(Above) Preparing the flat. (Below) Planting the seed

A cold frame extends the growing season for vegetables

Hotbed for starting plants and extending the season for vegetables

The difference between a cold frame and a hotbed is that the latter is heated with manure or artificial heat

Prepared by Extension Service, in cooperation with the Bureau of Plant Industry,
United States Department of Agriculture, Washington, D. C.
Group No. 15.—The Home Garden (Chart No. 15.1). Group of six charts. Price 20 cents. Issued 1941.
